

BIG features Sedao **SIMPLICITY**

The PICO MK 3 is a fully featured multi-zoned small format digital signage player for the budget conscious. Driven by the easy to use SedaoLive platform and at an entry level price the PICO MK 3 is ideal for internal communications or customer facing messages.

Connect it to a big screen to show dynamic digital signage displaying whatever message you want, as many ways as you want, in your choice of layout, it's that simple.

PICO MK 3

- Manage your display from your online account using any internet connected device, any time, anywhere
- Choose from a range of modern templates with varying multimedia zones including built in time and date widgets
- Add your logo, colour scheme and theme image to the templates for a personalised display
- Update your message with text, images, videos, news feeds, pdfs, PowerPoint and more
- Send emergency messages instantly
- Easy to use and designed for non-graphic/non-technical users
- Cost effective with no ongoing costs for a single screen with basic plan features

Easy to follow Set-up Wizard for a complete Out-of-the-Box customer experience to get you started today!
